Re: Honda for Congress
MUR 4980

RECEIVED
FEDERAL ELECTION
COMMISSION
MAR 23 2000

Gentlepersons:

We received your inquiry dated March 7, 2000 on March 9, 2000. We have reviewed the matters stated in the Pirayou complaint which is attached to your letter. This complaint lacks any factual support.

As you know, the campaign only obligated to use its best efforts to learn this information. Mr. Pirayou makes no effort to present any fact which would show that we have not used best efforts to locate and report the requested information, and accordingly, his complaint is meritless. However, we do want to address the matter further.

In fact, the campaign has used best efforts by making sure that all solicitation documents contain the appropriate request and reference to federal law in compliance with 11 CFR Sec. 104.7(b)(1). When funds have been received without the necessary information, we have made a written request for the information containing a direct statement that federal law requires us to use our best efforts to learn and report the requested occupation and employer information in compliance

with 11 CFR Sec. 104.7(b)(2). This has been sent out within 30 days of receipt of the contribution in compliance with 11 CFR Sec. 104.7(b)(2). In some cases, the campaign has gone further with a second followup letter or a phone call. In all cases, the campaign has checked available data to see if the information is already in hand from other sources in compliance with 11 CFR Sec. 104.7(b)(3). The campaign has assiduously sought this information in compliance with the "best efforts" requirements.

The complaint is lacking in any facts which show a lack of best efforts on our part. It is also premature, in that the amendments which Mr. Pirayou claims we have failed to file are not due until April 15, 2000. Pursuant to 11 CFR Sec. 104.7(b)(4)(i)(B), when better information is received after the contribution has been reported on a regularly scheduled report, the committee is to report the new information not later than the "next regularly scheduled reporting date" by filing an amendment at that time.

Thus, under 11 CFR Sec. 104.7. when we lack information at the time of a report, and we learn the information later, we are required to report the information by filing an amended report at the time of the next report. *That date has not yet arrived for any new information which we have learned.*

On the December 31, 1999 semiannual report, there was one person whose occupation and employer were not known. We eventually learned the information after the February 16, 2000¹ report had been filed, and accordingly, we are only obligated to file an amended report by the time of the next regularly scheduled report, which is not due until April 15, 2000. However, we are enclosing an amended semiannual report showing this information now.

Similarly, we are also not obligated to report newly learned occupation and employer information which was missing from the February 16, 2000 report until the

1. This is the date through which contributions are to be reported. The filing date by mail is 2/21 and by delivery is 2/24. Our report was filed by Federal Express on February 23, 2000.

time of our next report, due April 15, 2000. However, we have received some information and accordingly, we enclose an amended report. We will further amend with any information that comes to our attention between now and our next report.

As to the 48 hour reports, FEC staff has advised, and it is also our understanding of the law, that these reports are not to be amended, but that all information learned after the filing of a 48 hour report must be contained in the campaign's next regular report. We will certainly be including this information in the April 15, 2000 report. In the meantime, we are using best efforts to ascertain any information which we did not have at the time of any 48 hour report.

We don't believe this complaint merits any further action. I am happy to work with the Commission in any further way which may be required. If there is further inquiry or information needed, please let me know.

Very truly yours,

James Towery
Treasurer
